

HAVE YOU SEEN THIS BIRD?

Last seen July, 2009,
perched on a billboard on I-35.

He's white with gray wings with black on them. And yellow feet. He will come to you if you give him French fries. We think he was stolen, and he is very important to us.

**Reward Offered: GrandMarais.com
or call 1-888-922-5000**

Tell us what you think might have happened, and you could get a free vacation.

If you know who has him, please tell them to **GIVE US THE BIRD!**
